FOOD

Here's your chance to sample Vermont-grown food and drink by visiting restaurants, lodgings, shops, markets, distilleries, wineries and breweries. Restaurants are members of the Vermont Fresh Network, a network of chefs, farmers, food artisans, and diners and food producers that support Vermont agriculture.

FARMS

Visit these farms, vineyards, sugarbushes, creameries and farm lodgings for tours, workshops, overnight stays or to purchase food and beverages that's grown or harvested right there.

Farm visits are promoted by DigInVT, a consortium of agriculture and tourism organizations making up the Vermont Agriculture and Culinary Tourism Council.
